

## Sonance Visual Performance They Almost Disappear!

The Sonance Visual Performance products make integrating speakers into decorator sensitive areas easy! With shapes including square, round and rectangle = and small medium and large sizes, there is a fit for any client. They can select the shape that best suits their architectural space while providing the level of sound quality desired.

Sonance Visual Performance® Series speakers combine elegant, modern style with outstanding audio performance. New micro-flange grilles have only 0.20" of trim, giving these speakers a clean, sleek appearance that seamlessly integrates into any designed space. The grilles attach via powerful magnets, for simple, quick installation. A one-step paint process saves time compared to traditional flanged speakers.

All Large Visual Performance Series speakers can be retrofitted into existing cutouts and enclosures for Sonance Original Series large (Virtuoso®) speakers. All Medium Visual Performance Series speakers can be retrofitted into existing cutouts and enclosures for Sonance Original Series medium (Symphony®) speakers. Available in Sonance Thinline, Single Stereo, Surround, and Extreme varieties. All Small Visual Performance Series speakers can be retrofitted into existing cutouts and enclosures for Sonance Original Series small (Merlot®) speakers.

Using traditional installation methods, Visual Performance Series speakers are easily installed in either new construction or existing homes and feature a new one-piece grille and trim, making painting a simple and quick one-step process.

Sonance Visual Performance Series speakers are designed with a spectrum of installation accessories. From backboxes to flexbrackets, Sonance completes the entire installation picture.

The Visual Performance Series speakers continue the Sonance tradition of exceptional audio performance in three performance levels, providing the highest audio quality for the most discriminating listener in sizes and shapes designed to blend seamlessly into any space.
